General Information

- Year round group swim lessons are offered on Tues & Thurs or on Sat & Sun. There are a total of 6 classes, 35 minutes each class, and classes are offered twice per week for 3 weeks.
- Year round group swim lessons are offered based on the specific swim level your child is qualified for. If unsure which class to register for, please see lifeguard for assessment as registration for the wrong level does not qualify for a refund.
- Private swim lessons are offered on the dates listed online. Typically, private classes are offered on any date a group lesson is held. Private classes are 30 minutes per class and registration is done by selecting a specific date/time.
- **Swim lesson participants MUST be present on the first day of the scheduled swim lesson; otherwise, the participant will be automatically dropped from the class. Refunds will not be authorized in the event this happens.** If you know in advance that the participant will be unable to attend the 1st class session, you must call AND SPEAK TO the supervisor on duty so it can be noted on the roster and the participant will not be dropped.
- Day 2 registration takes place at 9 a.m. the day after any class begins, either in person or over the phone. This is for any lesson spaces opened up by no shows on day 1.
- Make-up classes are not generally offered. However, staff will attempt to accommodate make up class requests. Unfortunately, there is no guarantee.
- Refunds for aquatics programs are only issued for an exception and are not authorized for registered for the wrong level or time, registering at the non-resident rate, for unfavorable weather conditions or if you are dropped for missing the first day without properly notifying staff.

Thank you for your understanding.
